EHF STAFFING

Capability Statement

Commercial staffing / Government contracting

COLORADO SPRINGS / FRONT RANGE

EHF Staffing supplies temporary labor for construction sites, properties, and warehouses. We welcome staffing inquiries from federal agencies, prime contractors, and subcontractors supporting government-funded projects.

SAM.gov registration

CAGE **25XR2** UEI **PCVSRDWBDJP6**

Core services

01 **Construction and General Labor**
Site preparation and material movement

Event crews, trade support, and flagging

Planning a crew

Scope the assignment

Share the worksite, dates, shifts, headcount, and duties. Include a solicitation reference if applicable.

Review site requirements

We review skills, credentials, site access, hazards, PPE, and supervision with your team.

Confirm the plan

We confirm availability, rates, and reporting instructions for the agreed scope before dispatch.

Registration does not constitute federal endorsement, certification, or a contract award.
